

## **Webinar: How to write a successful Marie Skłodowska Curie Individual Fellowship proposal**

The EU Offices of the University of Freiburg and of the Faculty of Medicine together with the National Contact Point for Marie Skłodowska-Curie Actions (NCP MSC) offer a webinar on application for MSCA Individual Fellowships (MSCA IF). A brief introduction to MSCA Actions with focus on IF will be followed by a presentation on how to prepare a successful proposal. Afterwards, participants will have the opportunity to ask questions via the chat function.

To take part in the webinar researchers will need to fulfill the following eligibility criteria:

- Researcher will have her/his PhD (or at least 4 years of full-time research experience)
- Apply for European Fellowship (ST): She/he may have moved from an EU member state or from a Third Country to Germany and may not have lived or worked here for more than 12 months in the last three years immediately before the deadline (9 September 2020)
- Apply for Global Fellowship: She/he may like to go abroad and return to Freiburg University, she/he must be national or long-term resident (5 consecutive years) of a EU member state or Associated Country
- An experienced researcher from the University of Freiburg agreed to support her/his project and to supervise her/him.

**The webinar will take place on 25 June 2020 from 10.30 to 12.30.**

Please register until 17 June 2020 by sending an email to [georgia.wessels@zv.uni-freiburg.de](mailto:georgia.wessels@zv.uni-freiburg.de) including your CV.

Short information on [H2020-MSCA-IF-2020](#)

- Funding for living allowance, contribution to research and travel costs, management and overhead
- Conducting a “free choice” research project at host institution
- Employment at the host institution for the duration of the project (EF: 1 – 2 years, GF: 2 – 3 years)
  
- Call Deadline: 9 September 2020
- Evaluation: one step
- Results: 5 month after deadline (February 2021)
- If successful:
  - Project Start 3 month after information
